Mr. A. Manley,  
Newark, N.J.

Dear Mr. Manley:

The name of the park is just The New Base Ball Stadium, S. Slocumb St. Ext. The Journal & Guide is a good paper for this section. Also our local paper, Goldsboro News Argus. We can also use the local broad casting station two or three days prior to the game. 100 placards will be a plenty. Mention Everett's name if convenient. His well known base ball name is Sharkey.

I have already made contact with the management and every thing is O.K. for that date. Contact me when necessary for any changes or services.

Yours very truly,

  
C. Dillard, Jr.

what about passes? one for each  
placard would be advisable.
